

A Workshop for Service Providers

The Future of Aging: Impact on Mental Health and Addiction Services

Dr. Mulsant will discuss demographic and clinical factors that will impact the delivery of mental health and addiction services.

**The Centre for Addiction and Mental Health
and the
Hamilton Niagara Haldimand Brant
Local Health Integration Network**

Present
Dr. Benoit Mulsant, CAMH Physician in Chief

Dr. Mulsant, Physician in Chief, CAMH has been designing and conducting clinical trials for “hard-to-treat” older patients with mood disorders for more than 15 years. He is concerned about the demographics of an aging population and the urgency to improve the treatment of seniors with severe mental disorders.
